

## Frequently Asked Questions

### DEI Cell Saver™ Battery Insulation Kit

#### ***Can Cell Saver™ go on any size battery?***

Cell Saver™ is easy to install and excess material can be trimmed to accommodate batteries of any size and shape. Cool Tape™ is included with the kit to add the professional finishing look on your Cell Saver™ install.

#### ***How much heat can the Cell Saver withstand?***

2000 degrees of radiant heat!

#### ***What if my battery is slowly leaking?***

You should replace the battery but the Cell Saver™ traps and neutralizes any harmful battery acids. It protects the environment and your vehicle it is also completely safe to handle before and during installation.
