

LINE SLEEVE

NEW

Easy Loom™ Split Line Sleeve

Protective Split Sleeves offer a clean classy way to protect exposed wire, hoses, and cables on trucks, SUVs and powersport vehicles including ATVs and UTVs. Superior in style and function to simple plastic tubing, DEI's Easy Loom adds a superior level of protection to sensitive wires, cables & hoses exposed to abrasion or the elements, all with a clean, classy look.

Available in multiple size diameters, Easy Loom is heat, solvent & abrasion resistant and ideal to use with the install of aftermarket lights, replacing OEM wire looms or cover new harnesses. The sleeve simply wraps around an existing wire, cable or hose - no splicing is required to install.

- Self-closing split design with 30% overlap
- Peak temp rating of 345 °F with continuous of 300 °F. Melting point is 500 °F
- Resistance to most automotive fluids & chemicals
- Approved by most major automotive OEM's

EASY LOOM SPLIT LINE SLEEVE

Part #	Description
