

LINE SLEEVE

Easy Loom™ Master Kit

Protective Split Sleeves offer a clean classy way to protect exposed wire, hoses, and cables on trucks, SUVs and powersport vehicles including ATVs and UTVs. Superior in style and function to simple plastic tubing, DEI's Easy Loom adds a professional look and added protection against heat and the elements.

This Master Kit is a complete vehicle wire sleeve kit. Clean up and protect wire bundles with 5 different diameter Easy Loom sleeves, and create a perfect install with shrink tube ends, silicone tape, locking ties and electrical tape.

- Self-closing split design with 30% overlap
- Peak temp rating of 345°F with continuous of 300°F. Melting point is 500°F
- Resistance to most automotive fluids & chemicals
- Approved by most major automotive OEM's

Kit Includes:

Easy Loom	1" x 6'
