EV Charge Cord Cover

Split sleeve to protect EV Charge cords

Keep Your Investment Safe: The EV Charge Cord Cover is designed to wrap around your electric vehicle charge cord, providing a durable layer of protection against daily wear and tear, ensuring your investment stays in top-notch condition.

- Its vibrant orange color makes the charge cord easily visible, preventing tripping hazards and potential damage
- Robust construction ensures resistance against weather, UV rays, and everyday abrasions, offering unparalleled durability.
- Split sleeve designed for hassle-free setup, so you can start enjoying the benefits of added protection and visibility in minutes.
- Includes DEI Quick Fix Silicone Tape to seal ends
- Fits 3/4" to 1" diameter charger cables and comes in 20ft length
- Passes UL94, FMVSS302 flammability tests
