

LINE SLEEVE

Fire Sleeve Line & Hose Protection

Constructed from high temperature resistant braided glass material, woven into a sleeve and heavily coated with 100% silicone rubber. Provides the ultimate in heat insulation and protection from direct heat up to 500°F. Kit includes a 16-inch length of black Fire Tape to finish off ends of Fire Sleeve for a clean and professional look.

Features:

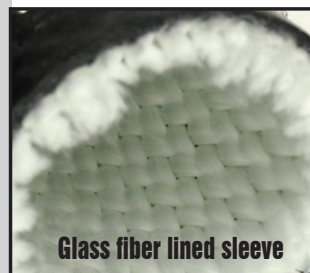

- Thick outer layer of 100% silicone rubber
- Heavy glass fiber inner insulation
- Extremely flexible
- Withstands 2000F intermittent heat / 500F direct

Advantages:

- Prevent heat soak into lines & hoses
- Allows for direct contact with heat source
- High abrasion resistance

Benefits:

- Keeps fluids cool and prevents vapor lock
- Easily slide over fittings
- Built to last many race seasons
- Bundles wires, lines & hoses

Glass fiber lined sleeve
