Motorcycle Leg Shield

Exhaust burns and heat are the worst! Riding your motorcycle can get uncomfortable and dangerous because of how close your leg can get to searing exhaust pipes. DEI has developed a simple solution to protect your leg against burns and make riding more comfortable.

This insulated leg protector is easy to slip on and off so when you are done riding, you pull it off and ready to go. Fully adjustable and large enough to fit over leathers and riding gear.

- Prevents leg burns
- Easy on - easy off
- Durable outer shell with insulated inner layer
- Measures 8" x 10"
