

LINE SLEEVE

Protect-A-Sleeve™

We have taken our Titanium™ LR technology™ and made it into the best protection sleeve on the market. Capable of withstanding temperatures up to 1800°F direct heat and 2500°F radiant it can protect your wires, lines and cables from damage. Includes high temp heat shrink ends. The 1/2" ID will fit larger spark plug wires and protect them from hot exhaust manifolds and headers. Sizes large enough for radiator hoses, heater hoses and other larger hoses.

- Withstands up to 2500°F radiant heat
- 1/2", 1" and 2" diameters available
- Available in Original Titanium or Black Titanium

TITANIUM PROTECT-A-SLEEVE

Part #	Description
010475	1/2" ID x 4ft
010475B	1/2" ID bulk per foot
