

HEAT EXTRACTION

NEW

Auxiliary Fan Kit with On/Off Switch for 2015 & Up Honda Pioneer 1000 Series

Transform your Honda Pioneer 1000 series into the pinnacle of comfort and performance with our innovative Auxiliary Fan Kit, featuring a seamlessly integrated on/off switch right on your dashboard. Engineered to work hand-in-hand with our heat shield kit (Part#902484/902409), this dynamic duo ensures a comfortable ride for you and your passengers, no matter the conditions.

With just a simple press of a button, our auxiliary fan kit springs into action, swiftly evacuating hot air from the engine compartment. Say goodbye to sweltering discomfort and hello to a comfortable ride as you navigate the toughest terrains with ease.

Don't let overheating dampen your spirits – invest in our Auxiliary Fan Kit today and elevate your Honda Pioneer 1000 to new heights of performance and pleasure!

- Powerful 3" fan removes heat from engine compartment quickly
- Manual On/Off Switch with plug & play harness included
- A perfect compliment to DEI's Honda Pioneer 1000 Heat Shield kit (Part#902483) for 2015-2021 or 2022 & Up (Part# 902409)
