

# SOUND DEADENING HEADLINER

## Jeep® Wrangler JL 2DR & 4DR Sound Deadening/Insulating Headliner Kit

Riding in a Jeep is great fun except for the truck's propensity for interior noise that makes it difficult to hear conversations or sound systems. The all new JL model is no different. This custom cut, peel and stick kit dresses up the interior of JL hard tops while minimizing outside noise. Made of high quality marine grade acoustical foam that resists mold and mildew while insulating from outside heat/cold.

- Insulate your interior from heat and cold
- Give your Jeeps hard top a finished look
- Made from marine grade foam
- Two finishes and multiple colors to choose from
- Easy peel-and-stick installation
- CNC machined for perfect fitment

CNC Machined for a perfect fit

### Two finishes: Original Texture Finish

### Leather Look Finish
