

# SOUND DEADENING HEADLINER

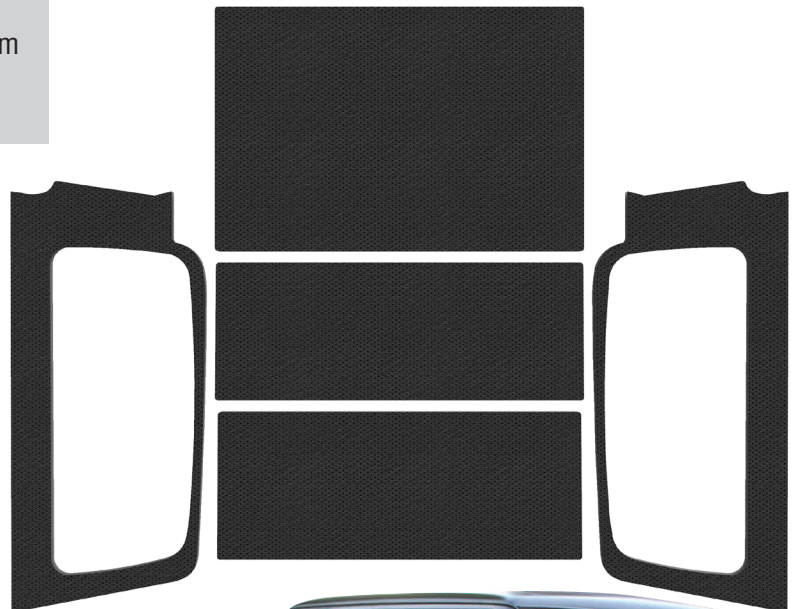

**NEW**

## Jeep Wrangler LJ Sound Deadening/Insulating Headliner Kit

Riding in a Jeep is great fun except for the propensity for interior noise that makes it difficult to hear conversations or sound systems. The LJ model is no different. This custom cut, peel and stick kit dresses up the interior of LJ hard tops while minimizing outside noise. Made of high quality marine grade acoustical foam that resists mold and mildew while insulating from outside heat/cold.

- Insulate your interior from heat and cold
- Give your Jeeps hard top a finished look
- Made from marine grade foam
- Two finishes and multiple colors to choose from
- Easy peel-and-stick installation
- CNC machined for perfect fitment

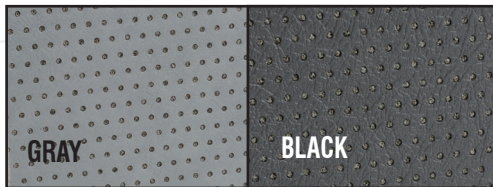

**5 Piece Kit Including Matching Window Trim Pieces**
