

SOUND CONTROL

Mazda Miata 1990-2005 NA & NB models Vibration Damping Kits

Quiet your ride with our premium vibration damping and noise reducing interior kit. By adding Boom Mat damping material to the metal floors, firewall, rear bulk head and rear deck, you greatly reduce rattles, squeaks and vibrations. This creates a more comfortable interior with improved accoustics.

Features:

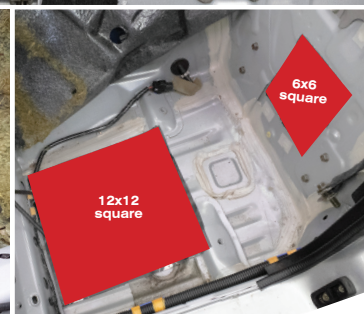

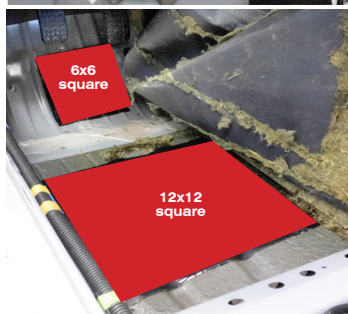

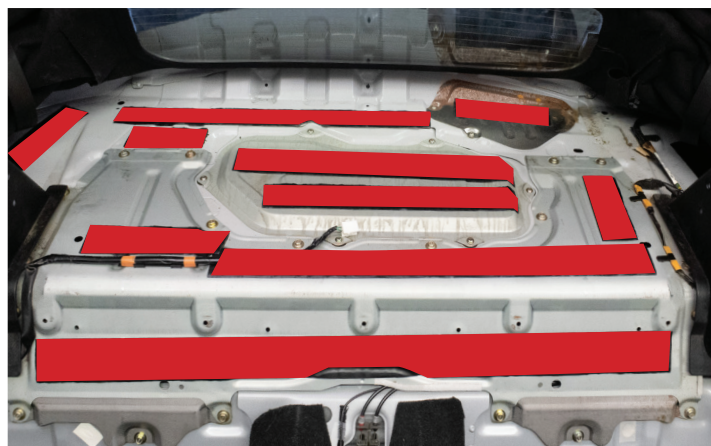

- Easy to peel backing to make install simple
- Self adhesive backing so no mess
- Black finish

Advantages:

- Easily forms to bends & curves
- Thin and pliable to fit in tight spaces
- 6"x 6" & 12"x 12" pre cut pieces for specific areas

Benefits:

- Reduces noise & vibrations coming from metal body
- Keeps interiors cool & quiet
- Improved interior accoustics
